“Films, like words, can be weapons. This film is a weapon in our struggle to save the NHS. There should be details of the film in every hospital reception, every GP’s waiting room, every community centre.”

Film director, Ken Loach, Bafta winner & twice recipient of the Palme d’Or

With the real threat of a trade deal with the US looming, ***Under the Knife*** reveals an NHS under attack like never before. This feature-length documentary demonstrates the importance of the NHS and how it is being systematically dismantled and undermined.

Under the Knife gives hope to those fighting to keep the NHS safe for future generations.

Directed by Emmy award-winning **Susan Steinberg**

Narrated by **Alison Steadman**
